Dear Surrey/Delta Métis Families,

We are excited to explore the possibility of creating a Métis youth jigging group in the Surrey/Delta area! This group would provide a wonderful opportunity for Métis youth to learn, practice, and celebrate our culture through the traditional dance of our ancestors.

Our vision is to hold **weekly jigging practices** where youth can build their skills, gain confidence, and connect with their Métis heritage in a fun and supportive environment.

We also hope to create opportunities for performances and cultural gatherings, strengthening our community and showcasing the beauty of Métis dance.

At this stage, we are gathering expressions of interest from families who would like their child(ren) to participate. If your child would love to be part of this group, please fill out this **form**. This form will remain open for the next two weeks as we determine next steps. If you have any questions, please feel free to reach out to board member Becky Parker at **beckyparker.03@outlook.com**.

We look forward to hearing from you and hope to bring this exciting opportunity to life!

**Maarsii,**
